the puritans who settled in america in the early 1600s believed that if they followed god's laws as individuals and as a society god would prosper them america would become the new israel god's light for the rest of the world the rev dr george

gatgounis wrote the puritan view of substantive biblical law both as a constitutional attorney and a biblical scholar he did much of the research at harvard which was founded by the puritans to train their clergy despite its outward appearance of harshness such as the dozen transgressions that merited the death penalty in the massachusetts bay colony puritan society was founded on the consent of the citizens at the center was individual spirituality that spirituality was to be maintained by a strict observance of the sabbath which centered around biblical preaching certainly there is no going back to a puritan society in this postmodern era but perhaps there is something to be learned to guide our way forward

the abcs of crime and punishment in puritan new england explains the legal system impacted the puritan society of the massachusetts bay colony the men who wrote and enforced these laws believed that every aspect of their lives should be aligned with the teachings of the holy bible adultery common punishments witchcraft spectral evidence etc are explained in historical context we might think of puritan laws and practices as harsh but they were perhaps more civilized compared to the general population back in the motherland puritans chose to resolve their disagreements in a court of law rather than with raucous and revengeful behavior in the streets this book describes the more negative aspects of life in early colonial new england the first colonizers were very moral and upright citizens holding the godly goal of establishing a city on a hill even from the beginning there were those who did not hold these beliefs and standards and never had the majority of those who migrated were indentured servants and suffered under the harsh realities of life in the new world despite their different views they were forced to live under the demanding expectations and laws of the puritan church

the elgar concise encyclopedia of law and literature surveys the intersection between two important fields of study interdisciplinary in scope the volume showcases the many ways in which literary and legal methods and insights both converge and remain distinct

when british authorities established settler colonies in north america and the antipodes new zealand australia south africa fiji from the early seventeenth to the late nineteenth centuries they introduced law through parliamentary statutes and colonial office oversight and they dispatched governors and judges to the colonies these jurists set aside some aspects of english common law to meet the special conditions of the settler societies but the responsible governments that were eventually created in the colonies and the british immigrants themselves set aside even more of the english law exercising informal law popular norms in its place law and popular norms clashed over a range of issues including ready access to land the property rights of aboriginal people the taking of property for public purposes master servant relationships and crown corporate liability for negligent maintenance and operation of roads bridges and railways drawing on extensive archival and

library sources in england the united states canada australia and new zealand karsten explores these collisions and arrives at a number of conclusions that will surprise

the new third edition of law and society provides a balanced multidisciplinary and comprehensive overview of law as an essential social institution that both shapes and is shaped by society between this book s covers readers will find the theoretical and conceptual contributions of anthropologists historians law professors political scientists philosophers psychologists and sociologists by synthesizing this wide range of perspectives the book provides readers with a nuanced and in depth context to think about discuss and analyze current trends issues and events through this book readers will also grasp the many ways law affects the lives of individuals and more generally how law and society affect each other in matters such as dispute settlement criminal law social movements inequality and social control the third edition is brought up to date with the helpful reorganization of chapters separate chapters exploring how we define law the differences among the major families of law and dispute processing make the textbook more readable and adaptable to specific course objectives thorough revisions across the chapters reflect the latest sociolegal perspectives and research and include many new references and contemporary examples to help students appreciate a wide range of law and society issues this thoughtful and stimulating introduction to the field is ideal for advanced undergraduate courses in law and society and introduction to law

keller explores america s spiritual roots a self government flowing from god s covenant with the people she also discusses the biblical principles for restoration of those values social issues
