the 13th century was a fascinating era in world history genghis khan established the largest contiguous land empire in history the magna carta was drafted marco polo travelled through asia and trade expanded across the indian ocean and baltic sea setting the stage for greater expansion in the 15th century the native americans of cahokia mesoamerica and the chimor state flourished while mali ethiopia and great zimbabwe thrived in sub saharan africa this world history chronicles the important events in this pivotal century while exploring many of the relevant figures of the era including king john of england st francis of assisi balban of india and many others

the kitāb naʿt al Ḥayawān is the earliest of a group of illustrated manuscripts dealing with the characteristics of animals and their medicinal uses the present study considers both the confluence of textual traditions within this work and the stylistic and iconographic relationships of its illustrations which make it a key witness to early thirteenth century arab painting after a re evaluation of previous approaches emphasis is placed on relating image to text on stylistic affiliations and on the modalities of production supported by technical analyses undertaken for the first time in elucidating the particular context of this unique manuscript the study contributes to our understanding of a critical period in the development of middle eastern painting and art

in the middle ninth century the frankish king charles the bald invited the established theologian eriugena to translate the work of the fifth century dionysius from greek to latin the translation proved enduring and was copied often and bound with the scholia translated by anastasius the librarian and excerpts from eriugena's periphyseon all of which harrington u of dallas includes in his edition with english translation on facing pages distributed by the david brown book company annotation 2004 book news inc portland or booknews com

what tennyson thus said of his own first essay in the idyls of the king in the introduction to the morte d arthur occurs as probably the aptest expression of most men's immediate thought with regard to such a subject as the thirteenth greatest of centuries though tennyson was confessedly only remodeling the thoughts of the thirteenth century we would not be willing to concede that nothing new was said or else something so said twas nothing

this is the first english translation of the tarikh al mustabsir written in the early quarter of the thirteenth century by ibn al mujawir the text is a fascinating account of the western and southern areas of the arabian peninsula by a man from the east of the islamic world probably from khurasan in iran ibn al mujawir was a man who in all probability followed the age old islamic practice of making the pilgrimage to mecca and thereafter travelling in the area to further his business interests his route began in mecca and essentially ran south through the red sea coastal plain tihamah down into the yemen and along the southern coast of the peninsula he paused long in aden where he observed closely the activities of the port to report at some length

on its administration its taxes its markets its currency its weights and measures and the like his route then continued along the southern coast of arabia into the gulf and he presumably returned home to the east via iraq the author is a wonderful observer of people their buildings their dress their customs their agriculture their food and their history this book is a unique source for the social and economic history of thirteenth century south arabia written with a humour and wit otherwise unknown in the writings of medieval islam the text is of major linguistic importance too written as it is in a far from classical arabic this translation is fully annotated with an introduction appendices glossary and full index and contains maps and illustrations

his uncharted course over four years capturing its aspect as a perilous adventure a third restoration unfolds in annemarie weyl carr s text as the paintings are restored to their historical and artistic context richly informative about the life and meaning of byzantine art the paintings have proved to be even more important in casting light on the culture of cyprus in the thirteenth century when crusader conquerors native cypriots and middle eastern immigrants
